

Our client is an international and globally leading trading and business investment company. For the location in Düsseldorf/Germany we support the search for a position with European focus as

General Manager Chemical Distribution

Main duties:

- Control and manage the distribution of tasks, costs and resources, take care of the reporting required and manage all administrative tasks for the unit's activities.
- Continuously develop new and sustainable business and coordinate sales and project actions in cooperation with the Pan-European organisation.
- Actively support your business partners, achieve an optimum level of satisfaction as a basis for growth.
- Create and develop a long-term business plan and lead and develop your team.

Experiences / Skills / Personality / Education:

- Good technical knowledge and/or good industrial experience in the field of specialty chemicals.
- Proven experience of business management as well as working in an international multi-cultural environment.
- Excellent communication skills associated with the ability to quickly build relationships to people.
- High implementation strength also in an international context, in cooperation with customers and suppliers as well as internally.
- High customer and service orientation combined with a high level of resilience, decision-making ability, problem-solving expertise, initiative and commitment.
- Your profile is rounded off with high persuasiveness and diplomatic skills, strong networking skills and leadership qualities.
- You are an entrepreneurial, hands-on and analytical personality, with out-of-the-box thinking abilities.
- University degree (Bachelor, Master or PhD) in Chemistry or Chemical Engineering.
- Business-fluent English and German, further languages are advantageous.

What our client offers you:

- High degree of freedom and the opportunity to help develop the companies' future creatively and sustainably.
- Interesting development opportunity in a strong global organization at a globally leading company.
- Attractive package, corporate pension scheme as well as up-to-date social benefits and possibility to work partly from home office.

Location: Düsseldorf
