

Our client is a fast growing international healthcare conglomerate, encompassing multiple companies and legal entities. We have been exclusively entrusted with the strategic establishment of their headquarters in South Germany. A pivotal role within this organization is the position of

Group Chief Financial Officer / Group CFO (m/f/d)

Tasks / Main Responsibilities:

- Strategic development and operational management of Finance for HQ and Affiliates.
- Designing and leading M&A and IPO projects.
- Leadership of Finance, IT, Controlling, Procurement, and Shared Services.
- Managing cash flow, currencies, investments, and banking relationships.
- Overseeing auditors and tax consultants for the group.
- Developing a modular platform and infrastructure to support strong business and organizational growth.
- Building excellent and ambitious teams.

Experiences / Skills / Personality / Education:

Master's or PhD degree in Economics or a comparable field; MBA is a plus.

Proven track record in finance, managing complex organizations, and (group) accounting.

Professional experience in a startup environment, management consulting, investment banking, or a similarly dynamic setting.

Experience in IPO projects is advantageous.

Top-notch strategic and analytical skills with a clear hands-on mentality.

Excellent communication and interpersonal skills, initiative, flexibility, and high performance readiness.

Fluency in German and English.

What our client offers you:

- A position with a high degree of freedom, exciting challenges, and the opportunity to shape the future of a dynamic, forward-thinking company with passion.
- Excellent development opportunities within a strong global organization and a leading company in its industry.
- An attractive compensation package, corporate pension scheme, and various appealing social benefits.

Location: South Germany
